APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the

following limitations and conditions: This permit to change the point of diversion of a portion of the waters of Lake Tahoe heretofore granted under Permit 24350 is issued subject to the terms and conditions imposed in said Permit 24350 and with the understanding that no other rights at the source shall be affected by the change proposed herein. A totalizing meter must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to a beneficial use. This permit is subject to the final allocation of the State of Nevada under the California-Nevada-Interstate Compact Commission. The State retains the right to regulate the use of the water herein granted at any and all times.

The total combined duty of water under this permit and Permits 24351, 24352, and 25404 shall not exceed 102.382 million gallons per annum.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 2.268..... cubic feet per second but not to exceed 48.882 million gallons annually.

Actual construction work shall begin on or before..... September 21, 1979
Proof of commencement of work shall be filed before..... October 21, 1979
Work must be prosecuted with reasonable diligence and be completed on or before..... September 21, 1980
Proof of completion of work shall be filed before..... October 21, 1980
Application of water to beneficial use shall be made on or before..... September 21, 1983
Proof of the application of water to beneficial use shall be filed on or before..... October 21, 1983
Map in support of proof of beneficial use shall be filed on or before..... October 21, 1983

Commencement of work filed..... 001 24 1979
Completion of work filed.....
Proof of beneficial use filed.....
Cultural map filed.....
